

Cloud Native Logging day with Fluent Bit and Fluentd

MAY 4, 2021 | VIRTUAL

OVERVIEW

FluentCon: Cloud Native Logging Day with Fluent Bit and Fluentd Europe 2021 was held virtually on Tuesday, May 4, 2021 on the MeetingPlay platform. Speakers answered live questions and interacted with attendees via the Event Platform and in Slack. FluentCon was comprised of 12 sessions. The event brought together the developers and users from the Fluent community for a productive day of discussion, exchange, and sharing of experiences on using Fluentd and Fluent Bit.
