KCD CHENNAI 2023

TRANSPARENCY REPORT

FOREWORD

Chennai's first in-person KCD got sold out!

Situated on the coromandel coast of the Bay of Bengal, Chennai is home to several SaaS companies and has a booming population of IT professionals.

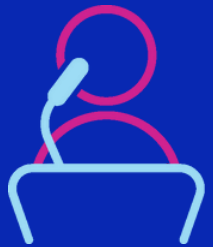

Chennai's first in-person KCD was a huge success. Hosted in a spacious world-class conferencing facility, the event was graced by speakers from across India and Sri Lanka. More than 400 cloud native professionals from Chennai and adjoining cities attended the event.

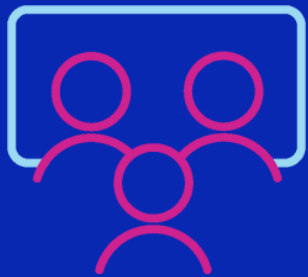

SPEAKERS & SESSIONS

Speakers from India and Sri Lanka delved into cloud native technologies, trends and best practices: Platform engineering, Chaos engineering, GitOps, MLOps, Security, Data engineering & Service Mesh

KCD CHENNAI ON LINKEDIN

Attending #KCDChennai was truly an enriching and insightful experience! The event brought together brilliant minds from the Kubernetes ecosystem, offering a deep dive into the latest emerging technologies

The sessions and workshops were thoughtfully curated, covering a diverse range of topics, from containerization to cloud-native best practices.

Mohammad Ashraf Vadaliwala

KCD CHENNAI ON LINKEDIN

Attending the KCD Chennai event was an amazing experience. Throughout the event, I had the privilege of attending insightful talks, interactive workshops, and panel discussions led by industry veterans and pioneers. I extend my sincere thanks to all organizers for putting together this outstanding event.

Dhandapani Arumugam

Just attended Kubernetes Community Days Chennai and it was a great experience! It's always a great feeling to be surrounded by like-minded people. Thank you KCD Chennai for hosting such a wonderful event!
