KCD LIMA 2024

# TRANSPARENCY REPORT

FOREWORD

# The first-ever KCD LIMA PERU

The success of the first Kubernetes Community Day in Lima showed the enthusiasm and passion of the local tech community. It not only gave valuable learning opportunities but also built a strong foundation for future collaborations and events.

The energy and excitement from this event have set the stage for more growth and innovation in Peru’s cloud-native landscape.

Tuvimos un sueño: Organizar el primer evento de Kubernetes Community Days en Lima, Perú 🇵🇪🤗, ¡y ayer se hizo realidad! 😊

Estamos muy agradecidos por el apoyo y la dedicación de todos ustedes.

¡Mil gracias a todos! 👏

#KCDLimaPerú 🇵🇪😊

# STATISTICS

The first-ever KCD in Lima was a landmark event that brought together the cloud-native community in Peru like never before. This inaugural edition was a significant milestone for local developers, IT professionals, and technology enthusiasts, marking the beginning of a new chapter in the region's engagement with Kubernetes and open-source technologies.

## ATTENDANCE REPORT

**24%**

**ATTENDANCE RATE**

59% of our 544 attendees work for a company in technical areas, such as Architecture, Engineering, DevOps and IT Operations.

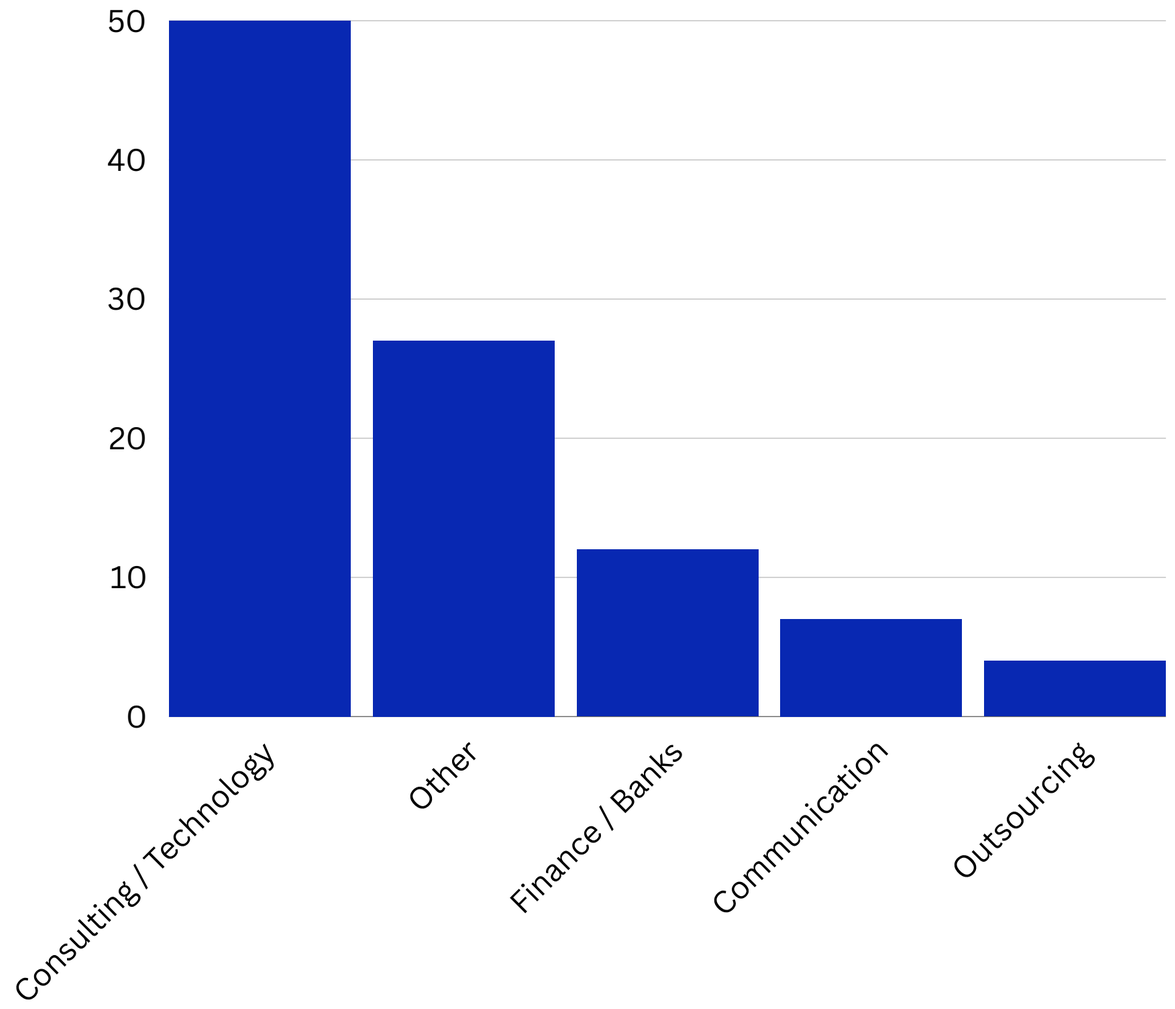
## ORGANIZATIONS

We were thrilled to see the diverse representation of organization types at our event, ranging from end-users to consulting firms and vendors.

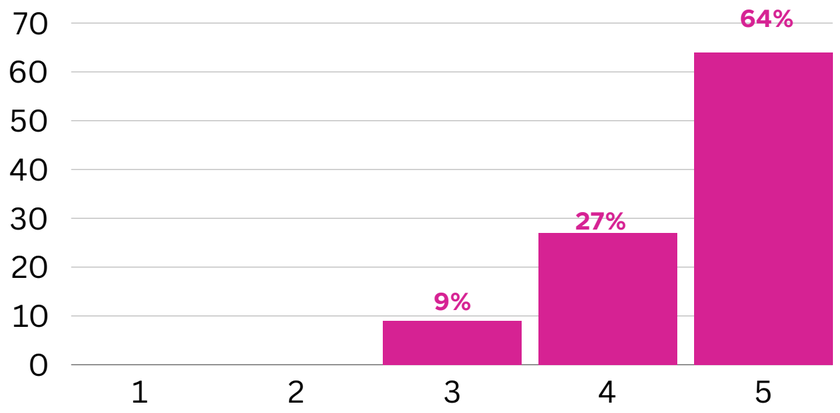
The wide range of attendees reflects the growing interest and adoption of cloud-native digital infrastructures and Kubernetes across different sectors of the industry.



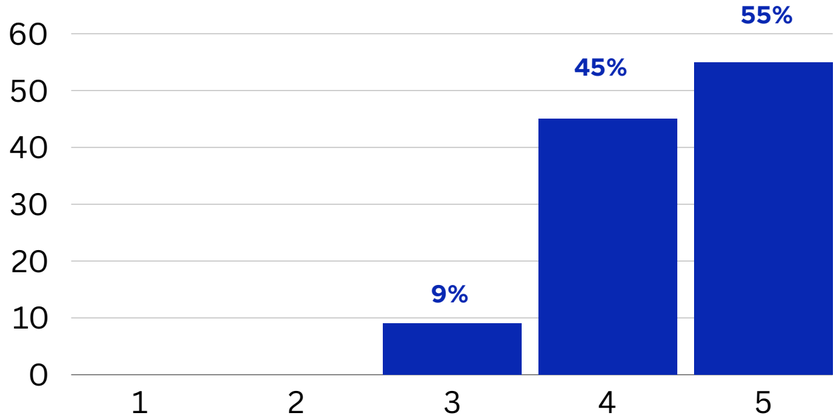
# RESULTS

**OVERALL SATISFACTION SCORE** ★★★★½

## EVENT RATING



## TALKS RATING



## WHAT ATTENDEES SAID

> “More workshops or in the future there will be 2 days KCD..”

> “All topics discussed were great, time is running out ..”

> “Opportunities to share, learn, discuss ideas and laugh were always present, once again demonstrating the passion for what we do and the talent that exists in LATAM.”
