The organization was amazing, and this time we had an extra day full of quality workshops—and I'm not just saying this because I hosted one… 😊😉

CONTRIBUTIONS

- KCD Austria embraced sustainability and inclusivity by offering up to 50 discounted student and minority group tickets.
- We decided to go with vegetarian catering to reduce environmental impact. With an impressive <3% no-show rate, the event minimized food waste while ensuring efficient resource use.
- Additionally, we planted 188 trees in lieu of purchasing an equivalent number of T-shirts, further contributing to environmental preservation.
